Dear Parent /Guardian,

It is with great anticipation that I welcome you to another school year. We are extremely excited to welcome the Class of 2021 to Joliet Catholic Academy, and also celebrate the accomplishments of the newly minted graduating Class of 2017. The Class of 2017 collectively earned over \$15 million towards college scholarships, performed over 15,000 hours of community service, and achieved a mean ACT score of 24.2 (30.04 in the Honors Program; 27.33 for the top 50% of the class).

What do these numbers signify in context? Over 75% of the Class of 2017 earned a 21 or higher on their ACT, with 98% percent of graduates continuing onto college. For comparison, Illinois' state public school averages of 46% scoring 21 or higher on the ACT, and 68% of graduates continuing onto college provide evidence for the competitive advantage of a Joliet Catholic Academy education.

These numbers reflect not only the outstanding achievement of our student body, but also the sacrifice by our families and community to give JCA students a faith-based education that is second to none.

No doubt the Class of 2017 has left an indelible mark on the halls of JCA, and will venture to do the same for the local community and beyond as they strive toward successful futures.

As we turn the page towards the 2017-2018 school year, I'd like to highlight some important dates this fall, including a change to the typical dates for Open House and the Incoming Freshman Entrance Exam. All Joliet Diocesan Schools will now be testing on December 2, 2017, to give families a head start in the high school decision making process.

Dear JCA Families,

Our school is partnered with The Cambridge Network to bring international students into our school from China, Korea, and Vietnam! This exciting initiative is part of our goal to provide our students with more enriching high school experiences through cross-cultural exchange in our classrooms. With this comes the exciting opportunity for you to potentially host a student for the upcoming year.

We are in need of families willing to open up their homes to an international student beginning in August 2016. Hosts should be able to provide a private bedroom, three meals a day and transportation arrangements to and from school for the 10-month academic school year.

To best support our host families, we are partnering with Cambridge's residential service provider, gphomestay, who will oversee our homestay program. Gphomestay provides a \$10,000 annual stipend to host families to offset the costs for bringing an international student into your home (\$1,000/month for 10 months) as well as ongoing support from a local Support Services Coordinator.

Host families do not have to have a student of their own enrolled at our school to be eligible to host. Please do share our need for host families with your personal networks. For any families that are referred and approved, the referring party will receive a \$300 referral bonus from Gphomestay. This could be a great opportunity for you to get involved even if you are not in a position to currently host!

We are very excited to start this new initiative. If you are interested in experiencing a new culture from the comforts of your own home while supporting our school, please contact our host recruitment coordinator, Dawn Habada at dhabada@thecambridgeinstitute.org or 617-749-7924.

Sincerely,

Mr. Bill Pender
