*ANNUAL REPORT EDITION*

## LETTER FROM THE PRESIDENT/PRINCIPAL

Dear Alumni, Families and Friends,

I usually start my opening for this newsletter with a big **THANK YOU** for all that you do and have done for our school, but this time I would like to start by saying **GOD IS GOOD!** I have been blessed to have taken part in a Pilgrimage to Italy this fall where we followed the footsteps of St. Francis and St. Clare and learned of how Jesus played an integral part in their lives, as he does with our lives daily. The theme of God and Goodness played out throughout the pilgrimage and we were grateful for all the times that we witnessed this theme. **JESUS** is the reason for Joliet Catholic Academy, a thought that we can never forget. We witness **God's Goodness** every day!

We work each day knowing that there are people like you who care about us. God is seen daily on campus through our students, faculty and staff, administration, alumni, parents, and friends of our school who do much to make sure that we are a thriving campus. As an example,

we have successfully launched a 1:1 technology initiative this fall for our freshmen and sophomores. This could not have been done without the efforts of key people in our Technology Department plus, more importantly, the efforts of all of our teachers and staff. We have invested time and money into infrastructure, professional development, and research to ensure that our students have the best path to success possible. This could not have been done without a team effort. **THANK YOU** to those that have given much of their time, talents, and treasures. **GOD IS GOOD!**

Hopefully you have seen our newest additions to the Heritage Quad, our statues of Our Lady of Mount Carmel and St. Francis of Assisi. These two figures are obvious symbols of the charisms and traditions of our two founding congregations, the Joliet Franciscans and the Carmelites. If you haven't, please stop by, we are very proud to have these one-of-a-kind additions to our campus. Speaking of our campus upgrades, I would like to give a brief update of **Phase II** of our Capital Initiative. Phase II is progressing along nicely, and to date we have raised over \$800k in pledges for a \$1.5 million Initiative. We are very close to ordering our windows for the back of the building and devising an installation plan for our classroom air conditioners. We must keep going, though, to make the completion of Phase II **a reality sooner, rather than later**. If you would like to be involved, please let us know, **there is still a need**. With all that has happened on campus; renovation of bathrooms, security upgrades, cafeteria upgrades, hallway upgrades, lighting upgrades and technology infrastructure upgrades (to name a few), we are very happy. **GOD IS GOOD!**

On behalf of the administration, faculty and staff, I hope that St. Francis, St. Clare, and Our Lady of Mt. Carmel shine blessings upon you and your family, and **thank you** once again for all that you do for JCA!

Blessings,

*Jeffrey R. Budz*

## Matthew Gummess '04

Congratulations to JCA graduate Matthew Gummess on professing his solemn vows as a Carmelite brother on Saturday, August 20, 2016 in the crypt church of the Shrine of the Immaculate Conception in Washington D.C.

Matthew was the valedictorian of the 2004 graduating class at JCA, as well as the valedictorian of his grade school graduating class at St. Patrick's in Joliet in 2000.

Matthew holds bachelor's degrees in physics and philosophy from Yale University, where he earned the prestigious Fulbright scholarship. The Fulbright Scholar Program is administered on behalf of the United States Department of State, Bureau of Educational and Cultural Affairs. The core Fulbright Scholar Program attracts some 800 U.S. faculty and professionals each year to 140 countries to lecture, teach and conduct research. Matthew did his teaching and study in Talca, Chile.

The JCA family is proud of what Matthew has accomplished and is excited to see where his vocation will lead him. He is a living and breathing embodiment of the Carmelite charisms taught each day to our students.

## Kelly Murphy '08

JCA graduate Kelly Murphy '08 came back to JCA to show off her Olympic Bronze Medal. The 2016 member of the U.S. Olympic women's volleyball team took in the action during the Angels match vs. Hinsdale South after being honored with a pregame ceremony. Murphy stayed after to sign autographs for students, fans, and younger kids in attendance.

Dr. Jeffrey Budz, president and principal of JCA, presented Kelly with a banner commemorating her achievement, which now proudly hangs in the JCA Student Activity Center. Murphy also took time out after the ceremony to be interviewed by Victory View Media correspondents, seniors McCoy Hutchison and Mandy Gruber, detailing her experience at the Olympic games in Rio.

I know this has been a dream of Kelly's since she first started playing volleyball, and all of her time, effort and hard work has been rewarded," JCA head girls volleyball coach Christine Scheibe said. "We couldn't be more happy for her as a program and as a school community. Personally, it's the potential that I saw in her the first day of summer camp when she was a freshman in 2004. She was already that good, and she has only gotten better over the years because of who she is as a person and the family that she comes from. The Murphys are just a very, very special family to our program."

## JCA Senior Sam Martyka Carries on Tradition of Service

Joliet Catholic Academy senior Sam Martyka feels strongly about the tradition of service that has been passed along to him through family members and at school. So much, that instead of completing his minimum 15 service hours for his junior year of high school, Martyka spent an entire week this summer at St. Leo Catholic Church in Bonita Springs, Florida as part of a community outreach program.

Martyka said, “my uncle is a former teacher at Brother Rice High School, and they invite kids down to work with the church’s outreach program. It’s a \$5-per-day daycare for migrant workers to keep their kids out of a trouble, and allow them to see different entertainment options in the community that they otherwise may be unable to afford”.

**It keeps the kids off the streets and out of trouble. My goal every day was to see how I could put a smile on their faces...**

*Sam Martyka - Joliet Catholic Academy senior*

The Juan Diego Outreach Center at St. Leo is currently the home of the St. Leo Food Band and Catholic Charities of Bonita Springs. They specialize in positive youth development, human trafficking victim’s assistance, substance abuse counseling, youth mentoring, and supplemental nutritional assistance programs (S.N.A.P.). Martyka was able to work with younger kids from kindergarten to fifth grade, and also 13-18 year olds in English as a Second Language classes.

“Some of the kids I worked with were from Ecuador

and had no paper work, and another kid I tutored in English is 17, doesn’t attend school and hangs sheet rock full-time. It was an eye-opening experience”, Martyka said.

Besides tutoring the young adults, Martyka chaperoned the youngsters on trips to go roller skating, miniature golf and arcade games, and to the movies. “It keeps the kids off the streets and out of trouble. My goal every day was to see how I could put a smile on their faces, and that in turn made my day that much better”.

Martyka is very busy as a student at JCA, while also serving as the team manager in the baseball and basketball programs. This summer, he worked twelve hour days

for a landscaping company. When he had a one-week vacation, he chose to spend it in Bonita Springs.

“My mom asked if I was sure about spending “vacation” time down there, but it really wasn’t work. To me it’s the little things that matter”, Martyka said.

The JCA senior is not alone among his peers concerning his penchant for service. The Class of 2016 performed over 15,000 hours of community service during their time at JCA. Martyka said, “I hope that stories like this can get out in our community and to my classmates, so that more kids will get involved either on service trips or just in our community.”

# JCA's 4 th Annual All-School Retreat & Service Day Thrives

The brainchild of Fr. Jeff Smialek, O.Carm, campus minister at Joliet Catholic Academy has continued to evolve; with students and faculty alike relishing in the opportunity to get away from the normal class schedule to devote a day to self-reflection, personal improvement, and service to others.

Fr. Jeff said, "each class has a specific agenda for the day, beginning with our seniors. Senior service day gets them out into the community bearing witness. This is our students and faculty in action investing in a day devoted to service outside the classroom. We learn not just in the classroom, but through real world experiences helping improve the lives of others in our community by working

with the environment, the impoverished, the elderly, animals in needs, and one another".

This year, JCA seniors and staff members volunteered at the Forest Preserve District, Wags 2 Wishes, Hopeful Tails, Joliet Animal Control, Ready Set Ride, St. Patrick's Home, Hands of Hope. Our Lady of Angels Retirement Home, Sharefest Festival, and Morningstar Shelter.

JCA senior Carley Ostir accompanied fellow students and teachers Mrs. Sam Bush and Mrs. Suzi Arnett to Ready Set Ride, a therapeutic recreation facility that assists special needs or terminally ill children by providing horseback riding services. The JCA workers helped build a wall around the arena for riding so that rides could continue this winter.

Ostir, who is part of the first group of JCA students to participate in four years of the All School Retreat & Service Day, said, "I really like how the retreat and service day mirrors our progression as students here at JCA. Last year as a junior being able to attend leadership workshops with my fellow classmates, and then taking those lessons out into the community this year was really exciting."

Freshman, sophomore, and junior classes all stayed on campus participating in various retreats related to their continued maturation and development into the future leaders of JCA. Campus minister Mrs. Melissa Ferro said, "We provide our freshman with counseling; student skills and student training to get them off on the right foot during their first semester of high school. The sophomore retreat is geared more towards 'making choices' and how are students will be responsible for their actions" Underclassmen also received a presentation from Detective Rich Wistocki of BeSure Consulting. Wistocki, a veteran law enforcement detective of twenty-two years specializing in Juvenile and Internet crime for the progressive Illinois Police Department, spoke to JCA students on the dangers of social media, and the consequences of their online actions.

Freshman Nathan Bebar said, "it was my favorite part of the day because it was interesting and surprising about what goes on in social media platforms. I learned how crazy some people can be and we need to be alert about what we post online and who else is out there." JCA is training its students to avoid the potential pitfalls of irresponsible behavior on the Internet and social media.

Fr. Jeff Smialek invites area causes to contact JCA Campus Ministry if you are looking to get involved in JCA's annual All-School Retreat & Service Day. E-mail [frjeff@jca-online.org](mailto:frjeff@jca-online.org) or call 815.741.0500 for more information.

# JCA BEGINS 2016-2017 SCHOOL YEAR; GREETED BY NEW STATUE IN MEMORY OF SR. LORETTA, O.S.F.

Joliet Catholic Academy students were greeted with a surprise when they returned to school on Friday, August 19 for the first day of full classes. Upon entering through the school's front doors, just to the left in the main hallway stands a new statue of St. Clare of Assisi.

The statue honors the memory of Sr. Loretta Tures, O.S.F.; who served both St. Francis Academy and Joliet Catholic High School faithfully. It was generously donated by relatives of Sr. Loretta; Joseph and Mary Tures Grimes, John "Jack" Tures, Frances Tures Naal, Donald and Phyllis Tures, and George Tures.

## The inscription on the statue reads:

*In Memory of Sister Loretta Tures, O.S.F.  
Principal of St. Francis Academy 1956-1958  
St. Clare of Assisi in your Love and Holiness  
please protect our students.*

Sr. Loretta taught History, Math, and Religion at St. Francis Academy from 1944-1952. From 1956 until 1958 she served as the principal of St. Francis Academy. Later on, she was fixture in the Guidance Office at Joliet Catholic High School from 1974-1990.

Sr. Dolores Zemont, O.S.F., General Superior of the

Sisters of St. Francis of Mary Immaculate said, "this statue honoring Sr. Loretta is fitting because she ministered at both St. Francis Academy and Joliet Catholic High, the two co-founding schools of Joliet Catholic Academy."

St. Clare of Assisi renounced her wealth as a young girl and became one of the first followers of St. Francis of Assisi. She founded the Order of Poor Ladies of San Damiano, which was renamed after her death to honor her as the Order of St. Clare.

St. Clare was canonized in 1255 by Pope Alexander IV. St. Clare was designated as the patron saint of television in 1958 by Pope Pius XII, because when St. Clare was very ill, she could not attend mass and was reportedly able to see and hear it on the wall in her room.

She is also the patroness of eye disease, goldsmiths, and laundry.

Clare is often pictured carrying a monstrance or pyx, to commemorate the time she warded off soldiers at the gates of her convent with the Blessed Sacrament.

St. Clare's feast day is celebrated on August 11.

Information on St. Clare can be found at

# JOLIET CATHOLIC ACADEMY COMMISSIONS NEW SCHOOL SEAL TO CELEBRATE ITS HERITAGE

When JCA students, faculty, and staff returned to campus for the 2016-2017 school year, they were greeted by the completion of Heritage Quad. The quad includes walls paying tribute to the three schools that became Joliet Catholic Academy: De La Salle High School, Joliet Catholic High School, and St. Francis Academy. It provides a new gathering place for students and alumni. It also brings back the Victory Light, which has survived as a symbol for the school, and is now back on campus in physical form.

Rev. Bob Colaresi, a member of the JCA Board of Members who was principal at the old Joliet Catholic High School on Broadway where the original Victory Light still resides said, "It's a great reproduction... the physicality of a symbol means everything".

Spurred on by encouragement from JCA's founding orders, the Carmelites and Franciscans, the JCA administration sought to celebrate its 147-year tradition of Catholic education in the Joliet and Will County area by re-creating a school seal that included elements of past school seals from Joliet Catholic High School and St. Francis Academy.

All agreed that Joliet Catholic Academy's iconic Victory Light would stand proudly at the center of the new seal, a beacon to future generations of Angels and Hilltopper's seeking to emulate the past and current successes of JCA's 22,700 alumni.

JCA president/principal Dr. Jeffrey Budz said, "It was important for us as a school to display the iconic symbol of the Victory Light and also the names and symbols of our founding orders the Carmelites and Franciscans. This powerful symbol, which you see throughout our community on cars, billboards, and in Heritage Quad represents the spiritual, academic, social, and athletic successes that a Carmelite and Franciscan education has provided and will continue to provide for future generations".

A committee group consisting of JCA faculty, staff, current students, alumni, Carmelites, and Franciscans met throughout the 2015-2016 school year to decide on what elements of JCA's history should be included in a traditional seal. The words "Carmelite" and "Franciscan"

were imperative, because JCA is unique in that it is the only high school in the country co-sponsored by these two religious orders, which are both noted for their excellence in education and producing leaders across the country.

Sister Dolores Zemont, OSF, president of the Sisters of St. Francis of Mary Immaculate and a current member of JCA's Board of Members said, "the JCA seal represents a long tradition of educational history of both orders – the Franciscans and the Carmelites, joined together in one great school. The crest of the Franciscans on the seal bears the traditional coat of arms of the Franciscan Order, the crossed hands of Jesus and St. Francis, over the cross".

The traditional coat of arms of the Franciscan Order sits to the right of the Victory Light on the seal, joined on the opposite side by the Carmelite Shield. The Carmelite Shield "consists of a white mountain, representing Mount Carmel in Haifa Israel, the Carmelite Order's place of origin. The stars represent the Marian and Elian traditions of the Order. The star on the mountain represents the Virgin Mary to whom the Order is dedicated. The two stars in the upper portion of the shield are the prophets Elijah and Elisha. These two men from the Book of Kings in the Old Testament are considered the spiritual inspirations of the Order today.

At the center of the seal stands JCA Victory Light, which epitomizes Joliet Catholic Academy.

It was built in imitation of the original St. Pat's Church, because Catholic High on Broadway Street, where the original Victory Light still resides, stands on the site of what once was St.

Patrick's. The tower was originally lit in 1927 to inform Joliet residents of the Hillmen's victory at the National Catholic Basketball Championship.

Now the Victory Light burns after any major victory, athletic or academic.

Today the JCA Official School Seal (which bears the year 1869 on its base, commemorating the founding of Catholic education in Joliet by the Franciscan sisters at St. Francis Academy) is a powerful symbol to the community of tradition, spirit, loyalty, knowledge, and truth.

# JCA HALL OF CHAMPIONS INDUCTS THIRD CLASS

By DICK GOSS - Joliet Herald News

The Joliet Catholic Academy Hall of Champions was introduced in 2014 with a class consisting of Gordie Gillespie, Bill Gullickson, Allie Quigley, Jim Stefanich and Tom Thayer.

There was no way that class could be topped. Yet the Class of 2015 – Mike Alstott, Terry Gannon, Mark Grant, Tippy Madarik and Liz Tortorello-Nelson – came close to matching the inaugural group.

Certainly the well of true superstars had run dry when it came time for the Class of 2016. Everyone who attended last Saturday night's induction ceremony in the Joliet Catholic Student Activity Center would beg to differ.

The inductees are Jane Condon, Pat Mudron, Mark Parker, Jack Perconte and Pat Sullivan, along with coach John "Baldy" Carroll in the newly added Legend category.

As accomplished as all the new inductees were in the athletic arena, the respect they have earned as people stands out even more.

"These people gave back, they have cared about others all through their lives," said Dan Sharp, the JCA athletic director, football coach and master of ceremonies for the induction. "We are honoring them for what they accomplished on the field and the way they have represented our school and community."

Sharp spoke on behalf of Carroll, the school's all-time leader in wins among boys basketball coaches with a 193-80 record. The Hilltoppers, then DeLaSalle, won three national Catholic championships under his guidance.

## JANE CONDON ('75)

The Class of 2016 was presented via video presentation, beginning with Condon. "I am delighted to be recognized with such a deserving group," Condon said. "Growing up in the '60s and '70s, it was extremely more difficult for girls to compete than it is today. Title IX in 1972 was landmark legislation. My life would have been vastly different if not for having the opportunity to play athletics in high school and college."

## PAT MUDRON ('67)

The video presentation on Mudron, an all-state football player and state heavyweight wrestling champion, included former Joliet Catholic football player and local attorney Mike Hansen saying that Mudron "still is the very best high school football player the Joliet area ever has produced." Mudron, who played at Notre Dame and is a Joliet city councilman, told a humorous story about how he almost did not allow Sharp to notify him of his Hall of Champions selection. Before moving on to Parker, Sharp said, "The most intimidating thing ever had to be that picture of Pat (Mudron) in a singlet that was outside the entrance to the gym at the old Catholic High."

## MARK PARKER ('76)

Parker was the quarterback on the Hilltoppers' first state championship football team, the point guard in basketball and catcher in baseball. After a year stay at St. Francis, he transferred to Coe College, where his number is retired, and played all three sports there. He became a teacher, coach and administrator at the high school level in Iowa. He talked

(L to R) Samantha Quigley '06, Jane Condon '75, Allie Quigley '04 pose at the 3rd annual Hall of Champions banquet.

about some former and current Hall of Champions inductees. "We are all still part of the team no matter what we are doing," he said. "Make sure you do what you can to make it better for everyone you come in contact with ... I still can hear coach Gillespie."

#### JACK PERCONTE ('72)

Perconte, the first of many Joliet Catholic major leaguers, played seven seasons in the big leagues, carried a .270 career batting average and stole 31 bases in 33 attempts one season. He is the author of multiple books on baseball and operates the [www.baseballcoachingtips.net](http://www.baseballcoachingtips.net) web site. His baseball academy is in Naperville.

"This is so cool," Perconte said. "If I could borrow from an old Harry Chapin song, old friends, they mean much more to me than the new friends 'cause they can see where you are and they know where you've been."

"Gordie Gillespie was the greatest. I grew up on the east side of Joliet idolizing guys like Pat Sullivan and Pat Mudron. They were my heroes."

#### PAT SULLIVAN ('61)

Sullivan, the retired Hall of Fame basketball coach from the University of St. Francis in Joliet, joked that he did not belong in the company of four great athletes such as Condon, Mudron, Parker and Perconte.

Sullivan traveled extensively for 10 years working with McGregor Sports and consistently came in contact with big-name coaches. He finished with a thought that the Joliet Catholic family echoes.

"When I got home to Joliet, I knew the best coach in America was right here – Gordie Gillespie," Sullivan said.

# Gregurich Family Creates and Donates Halo and Cross for Heritage Quad

In 1960 Matt Gregurich, a machinist by trade, went to a sale at the old Joliet Catholic High school to try to obtain machine tools in order to begin a machine shop business. At this time Joliet Catholic had discontinued their trades programs and were liquidating the equipment. It would be here where Matt would purchase his first machine tool with money loaned to him from his uncle. Hence, General Machine & Tool was born in 1962. Throughout the years Matt and his wife Barbara experienced all the usual highs and lows of business. Along the way they had one daughter and six sons.

Five of the boys graduated from the old Joliet Catholic and one from the new Joliet Catholic Academy. Today, the business has grown to two current locations, one in Crest hill, and one in Joliet. The business employs 34 employees and provides machine repair as well as machine tool building and Fabricating for all types of industries all over the country.

Two years ago, when JCA began cutting ground for the Victory Light project, an issue came up at a quad meeting on what was the best possible way to actually make the cross/halo 'topper for the structure. The plans were all drawn up, but between the board and the architects there was no firm solution on how to make the desired irregular shape of the halo. Making

it of course required it to resemble the plans and keep it as light as possible. JCA director of

development John Horn began to think of possible avenues for consultation on this issue. John knew of Matt's son Rick Gregurich '87 and consulted him. John was then referred to Rick's brother Jim Gregurich '85 at the General Machine & Tool Fabrication Facility. Jim had an idea and began to build a "mock up" cross section of the halo design and presented it to John and the board.

The "mock up" was built and presented. The prototype was accepted and the build began. During the build, Jim's son Adam Gregurich assisted him in many operations from CAD design, to forming and actual fabrication and welding. After approximately eight weeks, the stainless-steel cross/halo 'topper was built.

The Gregurich family decided to generously donate the halo. The assembly was delivered on May 28th 2015.

Jim Gregurich said, "between myself, my father Matt, brother Rick, and my son Adam it was a really great honor to have had three generations of our family involved in this historic build here in Joliet."

The Gregurich family, and their graciousness throughout the project, is a living testament to the family and tradition represented in the Heritage Quad project at Joliet Catholic Academy.

Workers install the cross and halo created and donated by the Gregurich family as the 'topper to the Victory Light

# JCA Advances Educational Experience through 1:1 Technology Initiative during 2016-2017 School Year

Joliet Catholic Academy understands the importance of education and technology working hand in hand to enhance the learning experience, preparing students for a successful future. JCA seeks to challenge all students with a rigorous curriculum, utilizing state of the art technology and the most current trends in curriculum integration. It is JCA's goal to provide all students with access to digital curricular content and the latest productivity applications; training in the use of applications that enhance learning, and coursework in digital citizenship for the appropriate and responsible technology use.

## 1:1 INITIATIVE

JCA strongly believes that the 1:1 Technology Initiative supports its mission, "to cultivate opportunities for academic excellence." JCA is 1:1 during the 2016-2017 school year with

- Enhanced student and teacher collaboration
- Increased student engagement, accountability, and creativity
- Efficient feedback on formative and summative assessments
- Organization of notes, homework, tests, and projects all in one device. Student accountability will increase, as they will be able to access their schoolwork and notes from anywhere, eliminating times where they may forget important study materials in lockers or classrooms.

## COMPUTER CENTER

A state of the art facility where the students have a quiet and comfortable environment to do schoolwork on their

programs like Adobe Photoshop and Lightroom for photo processing, Adobe Premiere for making videos, Adobe In Design, and Adobe Illustrator for Yearbook and Newspaper. The complete Adobe Creative Suites, which are normally a \$600/year cost to the public, are available in the labs to JCA students at no additional cost.

JCA also is continuing the tradition of the JCA Tech Club, which meets in the Computer Center twice each week after school to broaden the minds of those students interested in technology.

The members will have access to fun and exciting projects not available in the classroom environments.

## MICROSOFT INNOVATION FOR EDUCATION AND INCREASED SAVINGS FOR FAMILIES

JCA's 1:1 initiative is based on the Microsoft/Windows 10 Platform. All student computers are equipped with Office 365 and each student has a JCA email account through Microsoft Outlook. With the Office 365 accounts, students have access to the complete Office Suite of programs, as well as OneNote, One Drive, and all other free Microsoft applications. Office365 is also provided for all current juniors and seniors. With the school Office365 accounts, each student is allowed to install Office Pro on up to five devices at home and those licenses will stay active for as long as they are students at JCA. This alone provides a value that can be realized at up to \$120 per year, which more than makes up for the one-time cost of purchasing the Lenovo N22 laptop at \$215.99

## TECHNOLOGY IN THE CLASSROOM

All classrooms are equipped with the latest technology needed to ensure an education that prepares students to be ready for a future filled with endless possibilities. With Microsoft Innovations for Education, teachers and students have a wide variety of programs available to them to aid in doing everything from organization to collaboration to innovation and creativity. Examples include: OneNote Class Notebooks, Mix, Sway, Yammer, Skype, Socrative, Graphing Calculator, AutoCollage, and CronoZoom.

all freshman and sophomores using Lenovo N22 laptops.

Teachers have been trained and are prepared and excited to work with all students using the latest technology available to provide new and unique learning opportunities. The benefits of going 1:1 are limitless and include opportunities such as:

- Increased student-centered learning

laptops. For students without laptops, there are three labs fully equipped with PCs. Teaching stations with projectors provide opportunities for modeling during instruction. Also, with the new Office 365 initiative, even students without laptops will be able to work on their schoolwork and access their files stored in OneDrive.

Lab computers have been equipped with the latest Adobe Creative Suite which gives students access to

# JCA Students Learn History of Heritage Quad in Freshman Theology

Joliet Catholic Academy's Theology Department is the first high school in the Diocese of Joliet to track student cognition and affect development using the NCEA's IFG standardized testing, developed with the National Conference of Catholic Bishops. Part of the curriculum in the JCA Theology department is based on the charisms of our sponsors, the Carmelites and Franciscans. In order to better understand these charisms, freshman students recently undertook a project researching the histories of both religious orders, and were able to do so in the brand new Heritage Quad which commemorates the contributions of the founders of Joliet Catholic Academy.

JCA freshman students in Mr. Cory McDermott's Theology class recently packed up their new laptops and headed outside in small groups to research the school's founding religious orders and understand many of the symbols and history present in Heritage Quad.

Freshman Madi Mikuska said, "It was different because I'd never had class outside before. We were outside and active, researching the history of our school and getting a lot of information on the Heritage Quad walls commemorating (De La Salle, Joliet Catholic High School, and St. Francis Academy). I learned that the Mayo Clinic (one of the world's leading hospitals) was formed by Mother Alfred Moes and the Sisters of Saint Francis in 1889 (after the Sisters had founded St. Francis Academy in Joliet in 1869)."

Mikuska also commented on the recent addition of two new statues to the Heritage Quad: St. Francis of Assisi and Our Lady of Mt. Carmel. Both statues arrived just in time for JCA's annual Heritage Week, which took place from October 3rd - 9th and included an all school mass, as well as specific days dedicated to prayer, generosity, gratitude, and hospitality. The statues were created by renowned Christian artist Timothy P. Schmalz, who has received worldwide attention for his "Homeless Jesus" statues located all across the globe.

McDermott added, "It is important for our students to know their heritage, and to understand how important the contributions to education in this area that the Carmelites and Franciscans have made over 147 years. A Carmelite and Franciscan education, and most importantly an education centered upon the teachings of Jesus Christ is the most important thing we provide to our students at JCA on a daily basis."

Freshman Kyle Michel said, "the laptops allow us not to have to carry any books, and it was nice to have a day outside of the classroom to be able to learn in another environment." Fellow freshman Moira Cardwell added, "it keeps us more organized, on top of things, and accountable being able to access our school work at any time. I can monitor my grades through 'Plus Portals' and doing fun projects like in Mr. McDermott's class are possible because of the mobile devices. My whole family went to JCA, so I liked learning about the history in Heritage Quad."

To learn more about JCA's 1:1 Technology Initiatives visit <http://www.jca-online.org/technology/>. JCA is also currently half way towards its goal in fundraising \$1.5

million towards Phase II of the Capital Initiative "Building Our Future". The second phase of the capital initiative (Phase I included new windows on the front of the school, Heritage Quad, and the upgrade of WiFi infrastructure) is highlighted by the push to have all classrooms in the building equipped with air conditioning by the 2017-2018 school year.

"Building Our Future" upgrades center around creating the optimal learning environment for JCA students. Besides the addition of air conditioning, the capital initiative also includes further improvements to the WiFi infrastructure as the entire school transitions to 1:1, new back windows to increase energy efficiency, as well as updates to the outdoor prayer garden and lighting along Tradition Road and Victory Way located at the rear of the campus.

For more information on Phase II and instructions on how to join us in "Building Our Future" contact JCA Director of Development Mr. John Horn at [jhorn@jca-online.org](mailto:jhorn@jca-online.org) or 815.741.0500, ext. 276, or visit <http://www.jca-online.org/phase-ii-capital-campaign/>.

## Junior golfer Jake Pluth records highest finish at state tournament in modern day school history

Like many weekend warriors, Joliet Catholic Academy junior golfer Jake Pluth used to just “grip it and rip it” relying more on his natural athleticism than being a technician when it came to the game of golf. In fact, Pluth only starting playing golf right before high schools, so his transformation over the last three years has been that much more impressive. The number one player in the Hilltopper golf program, Pluth recently finished the season with an 8<sup>th</sup> place finish at the IHSA Class 2A state tournament, shooting what is believed to be a modern day school record 72. Pluth joins Alex Fried as the only Hilltopper all-staters in the last 41 years.

JCA head golf coach Mark Hansen, who has led the Hilltoppers for the past 38 seasons said, “He is a golfer. Some people like to ‘play’ golf, but Jake competes daily. He never gets rattled, he handles pressure situations and knows how to recover. Jake has the best finish at the state tournament during my tenure as head coach, and we’ve had some great golfers over the years.”

Pluth’s 72 at the state tournament at Illinois State University was impressive in that he rebounded from a first round 80, good for a 152 stroke overall performance, finishing tied for 8<sup>th</sup> place. The 72 was tied for the lowest round shot by a golfer in the two championship rounds for top individuals in Class 2A. Pluth’s personal best low-round is a 66 shot at Mistwood Golf Club in Romeoville, IL.

Last year at the state tournament as a sophomore, Pluth finished 43<sup>rd</sup> overall. On his maturation as golfer the JCA junior stated, “I control the ball a lot better and have more of a clue when I’m out there. Playing tougher courses during IJGA and MAJGT tournament play in the offseason helped me prepare for this season.”

Pluth’s dream would be to play collegiate golf at the University of Illinois, but playing at a Division-I school is his goal. “I’ve been practicing every day the last three years to keep getting better and I’m excited about the amount of young talent that we have at JCA that is quickly improving. I’m looking forward to be a captain next year as a senior and taking on more of a leadership role in our program.”

Left to right: JCA golf coach Keith Klein, Jake Pluth, JCA head golf coach Mark Hansen

What’s even more impressive is despite the hours he’s spent honing his craft on the golf course, Pluth still manages to maintain a 3.97 G.P.A. taking courses like Honors Pre-Calculus and A.P. Physics. One thing is

for sure, if Pluth has come this far in only four years of playing competitive golf, the sky is the limit as far as his future potential and the heights he may take the Hilltopper golf program in the next year.

## JCA's Bauer-Hutchison claim school's first state tennis championship

By DICK GOSS Joliet Herald News

JCA seniors McCoy Hutchison and Maddie Bauer celebrate after a home victory this fall en route to the school's first ever state championship in tennis.

Joliet Catholic Academy seniors Maddie Bauer and McCoy Hutchison arrived at the Girls State Tennis Tournament knowing they had a chance to accomplish something special.

After all, the four-year doubles team had lost one set all season – that to Benet's Katie Telford and Pauline Neubert on a tiebreaker in the semifinals of the Class 1A Benet Sectional a week earlier – and they were the No. 1 seed at state.

Being recognized as potentially the best, and actually going out and proving it, are two different things. Yet Bauer and Hutchison were up to the challenge. They beat a familiar opponent in Telford and Neubert in the championship match Saturday, 6-4, 6-1, to finish the season 33-0 and become the first 1A championship doubles team

in state history.

"We're so excited," Hutchison said shortly after it ended. "We had a huge hug when we got the last point. It was the best feeling ever."

"To be state champions, it's awesome," Bauer said. "We had confidence all season, and it was our communication that got us here. Our coach, Bob Tomasino (JCA assistant who works largely with doubles under head coach Terry Wrona), talked with us all season about keeping our heads straight and staying under control. He deserves a lot of credit for this."

Hutchison said the credit for the title goes equally to the two players "and to our coach. He was great."

The championship doubles effort, coupled with freshman Nina Bertino's run to the consolation semifinals in

singles, gave the Angels second place in the team standings with 21 points behind only Benet's 22. Bloomington Central Catholic, Rock Island Alleman and Chicago Latin all had 20 and Chicago U-High totaled 19.

"Mia did so great as a freshman," Hutchison said of Bertino, who went 4-2 at state. The Bauer-Hutchison duo has been paired since freshman year. This was their fourth year at state, third as sectional champs, but in the first three years, girls tennis was in one class.

**We had confidence all season, and it was our communication that got us here**

*Maddie Bauer - Joliet Catholic Academy senior*

"I think it was nice to have two classes for girls tennis," Bauer said. "There are more opportunities. We played against great teams in both (one-class system and 1A)."

The first set Saturday against Telford and Neubert was key. Bauer-Hutchison led 3-1, trailed 4-3, then won the last three games for the 6-4 victory. "We had momentum at that point but no matter what, we knew we could not let up," Hutchison said.

"Benet definitely was the best opponent we faced all season, and they beat us in a set last week, so there was pressure until we ended it," said Bauer, who, like Hutchison, is an excellent student and will attend a large university and not play college tennis.

# Chicago Cubs' Len Kasper Headlines annual Hilltopper Banquet

By DICK GOSS  
Joliet Herald News

Since Mark Grant became the master of ceremonies for the annual Joliet Catholic Academy Hilltopper Banquet a few years ago, his chore has included doing a little homework on the guest speaker.

Sure, he knew about sports figures such as Paul Azinger, Eddie Olczyk and Mike Ditka, but they were not personal acquaintances before the night of the event.

Regardless of his relative unfamiliarity, though, the personable Grant, who always is up for a good laugh, made the banquets work for the audience in the JCA

Student Activity Center.

This year's event — held Thursday night — was a little different.

Grant, a 1981 Joliet Catholic graduate who went on to pitch in the major leagues for several years, is the color commentator for Padres TV in San Diego. He and Cubs television play-by-play man Len Kasper have been friends working in the same business for a better part of 20 years.

Their conversation flowed smoothly as they sat at the table in the center of the stage and went back and forth

talking baseball. With Grant a die-hard Cubs' fan growing up, and Kasper having been with the Cubs since 2005 and, of course, throughout this world championship season, it was a memorable night of baseball banter.

"Mark Grant is one of my best friends in the world," Kasper said before it began. "Especially when you're doing local games, you have to have fun with it. Mark does that. My partner, Jim Deshaies, being a left-handed pitcher, he has a quirky sense of humor. We have a lot of fun together."

He expressed similar sentiments for the Cubs' radio

Left to right: Mark Grant '81, Jeff Phelan '86, Len Kasper

color commentator, Lockport graduate Ron Coomer.

"Ron is the best teammate ever," Kasper said. "We're partners, sitting together on the planes. When there was a change a couple years ago, he called me and said, 'You and I are together now.' He is a terrific broadcaster and human being."

Kasper said the feeling he gets is that Cubs' fans still are basking in the glow of winning the World Series, as well they should be. They are not ready to look ahead to next year quite yet. "The chance to repeat will be there for a long time to come," he said. "But you have to enjoy this while you can. The only thing close to a dynasty in baseball in recent years is the Giants winning every other year for a while."

"If there is a team out there poised for a dynasty, though, it is the Cubs. It will be very tough for the starting rotation to be better than it was this year, but the offense and defense could be even better as all the young kids mature."

With the World Series games not on local TV, Kasper worked with Coomer and Pat Hughes in the Cubs' radio booth. One of his jobs was to get to the clubhouse late in the game and get ready to grab a player of the game for an interview.

"In Game 7, I got down to the clubhouse in the bottom of the seventh inning with the Cubs leading 6-3," he said. "The work crew was down there wheeling the scaffolding into the Cubs' locker room for the trophy presentation, and they're bringing in racks of T-shirts and raincoats."

"That's all happening, and then I'm hearing the reaction of the crowd before what happened shows on the monitor we're watching. 'Oh, my God, he [Rajai Davis] hit a home run.' The game is tied in the bottom of the eighth. So they say, 'OK, let's go get all this stuff to the Cleveland clubhouse. That's the moment when I said, 'uh, oh.' And then there was the rain delay."

"It was almost appropriate that Cubs' fans would have to go through the ringer like that," Kasper, though, said the Cubs had the best team this season, and even during the "uh, oh" moment, there was no reason to lose faith.

He used Kris Bryant as an example.

"Kris Bryant was raised right," he said. "He is a respectful, courteous young man. He also may be the best baserunner in the league. When he scored from third when Davis caught the short fly ball flat-footed, when he scored from first on Anthony Rizzo's hit, those are the types of things that separate this Cubs team from good Cubs teams of the past. What bad moments there are, they're the exception."

"You know how it was always wait until next year? Well, the Cubs are telling the rest of the league, you wait until next year."

The fun has just begun.

## Alumni News: Class Reunion Recap

**SFA Class of '55** – Celebrated their reunion at a luncheon on Saturday, September 17th at Al's Steakhouse in Joliet. The ladies enjoyed talking, laughing and even had the pleasure of seeing one of their classmates in their class uniform.

**JCHS Class of '56** – The gentlemen of the Joliet Catholic High School Class of '56 celebrated their reunion with the class and style of a true Hilltopper. Their day began with a mass at JCA officiated by Fr. Jack Welch, '56 and Fr. Bernie Bauerle, '56. They took some time to visit the Heritage Quad and then gathered formally at the Joliet Country Club. Memories and laughs were enjoyed by all.

**JCHS/SFA Class of '61 - '61's** – 55th class reunion was a really, fun casual night at the Croatian Club and they would highly recommend it to anyone planning a gathering. Eighty-five SFA/JCHS classmates gathered for a fun night reminiscing with old friends, enjoying delicious food, and dancing to a band playing 50-60's songs. Plans are underway for our "75th Birthday Bash" sometime in 2018.

**JCHS/SFA Class of '66** – A full weekend was spent golfing, watching JCA football, touring the school, having dinner, dancing and celebrating their faith by the JCHS/SFA Class of 66. Lots of laughs and a great time was had by all.

**JCHS/SFA Class of '76** – This fun group of friends started their reunion with Witches Night Out on Thursday, October 20th. Friday the gang gathered for the JCA football game and then Saturday took a tour of JCA and had dinner, drinks and laughs at the Joliet Historical Museum.

**JCHS/SFA Class of '81** – celebrated in their usual way... with a whole lot of laughs and fun. Classmates met at JCA's Heritage Quad for food, drinks and music. A bus arrived and took the class on a tour of Joliet area bars where memories were made and memories were shared.

**JCHS/SFA Class of '86** – The JCHS/SFA Class of '86 enjoyed a full day of reminiscing and enjoying stories of their glory days. The day began at JCA with a tour of the school and continued at Embers in Lockport for drinks, great food, laughs and dancing too.

**JCA Class of '91** – The JCA Class of '91 enjoyed seeing familiar faces as they gathered at the JCA Varsity football game and then continued their celebration at Traditions Bar & Grill. Classmates came together from all over. Lots of smiles and laughs were shared amongst one another.

**JCA Class of '96** – JCA's Class of '96 shared a weekend of laughs for sure. The fun began on Friday for an informal gathering at the JCA Varsity football game and then continued on Saturday with a full blown party at the Inwood Golf Course Cart Barn. The reunion gathering was complete with a photo booth that allowed classmates to make further memories.

Class of 1966.

# Benefitting JCA Students

## Highlighted Scholarship: The Matt Sicinski Memorial Scholarship

Endowed scholarships have continued to grow at JCA, as more and more alumni have stepped up to the plate in recent years recognizing the need to provide financial assistance so that students may realize the possibility of a Catholic education. During the 2015-2016 school year, JCA students received over \$860,000 in financial aid.

Tim '90 and Katie Schuster read about a highlighted scholarship in a past issue of Tradition, and felt an endowed scholarship in honor of Tim's best friend from high school, the late Matt Sicinski would be fitting. The Schusters, with the backing of Matt's family, including his mother and father Carol and Karl, established the Matthew Sicinski Memorial endowed scholarship.

Tim said, "It's a classic Catholic school story, we met freshman year in homeroom because we sat next to each other in alphabetical order. We really wanted this scholarship to be in honor of Matt family: his wife Julia, daughter Mei-Lin, and parents Carol and Karl."

Matt's life was the embodiment of the Tradition of Service highlighted at JCA throughout the school's history. He spent ten years as an altar server during his youth at St. Mary Immaculate in Plainfield, tutored high school foreign language students in his spare time, volunteered at the soup kitchen at St. James on Chicago's south side and at Saints Faith, Hope & Charity Catholic Parish in Winnetka. Every Christmas, Matt and Julia also sponsored two needy children through the Chicago Sun Times.

His mother Carol said, "typical of Matt and Julia, when it came to kids from poverty they provided." In 2005, Matt and Julia adopted their daughter, Mei-Lin, from China. Carol added, "Matt was a warm and caring person whose main love was his weekly Euchre party. He was a pretty good scuba diver, enjoyed trap shooting, working on cars, and college football...which would necessitate a call to Tim Schuster if Michigan lost!"

## JCA Announces Heritage Award Program

In celebration of the opening of Heritage Quad, Joliet Catholic Academy looks to honor its past by ensuring that future students continue to develop into the successful leaders that JCA, Joliet Catholic High School, and St. Francis Academy have been producing for more than 147 years in business, education, community service, and other industries.

The Joliet Catholic Academy administration is proud to announce the creation of the Heritage Award Fund. These merit-based awards focus on leadership, talent, and service. The Heritage Award can be renewed as the recipient continues to develop in those areas throughout four years at Joliet Catholic Academy.

## Heritage Award Overview:

Heritage Award Applications were available from October 1, 2016 until December 1, 2016 this year.

Awards will be announced in late January/early February after JCA's Placement Exam and the Heritage Award interview dates.

The Heritage Award ranges from \$1,000-\$5,000 per year. Award amounts will be based on the number of applications received each year and can be renewed each year.

Award based on a combination of middle school grades, involvement in extra-curricular activities, and the potential to grow into a leader within the Joliet Catholic Academy community. Interested in giving towards the Heritage Award Fund? Contact JCA Director of Development John Horn at [jhorn@jca-online.org](mailto:jhorn@jca-online.org) or 815.741.0500, ext. 276.

## Joliet Catholic Academy's 32nd Annual Jubilate: "Cowboys and Angels"

You can choose your attire for the evening of Saturday, March 11, 2017: Diamonds or Denim or better yet wear both at Joliet Catholic Academy's fundraising event, "Cowboys and Angels." We are trying to "round everyone up" for this dinner, dancing, auction event at Bolingbrook Golf Club which raises money for our JCA students.

A round of applause goes to our Event Chairs, Lisa & Tony Sandora and Alex and John Quinn ('86). They both have made it clear that this Classy Hoedown will have something for everyone. They, along with their 50-member parent committee, are promising to get you "Sippin and Singin" till the cows come home. Alex & John Quinn have commented, "Our auction items are always creative and hold their value with all the awesome extras they include. Our live auction promises to contain some great sports memorabilia from the Chicago's Cubs and Blackhawks along with fabulous trips and surprise items."

At Jubilate 2017, the Joliet Catholic Academy Recognition Award will be bestowed upon Patsy (Liker '60) and the late Harold Pat Graham ('59). The Graham's have made a difference in the lives of our JCA students by their contributions of time, talents and generous assistance to our community. Pat & Patsy's children and grandchildren share in this celebration of honoring their grandparents. Dr. Jeff Budz was quoted as saying, "Pat & Patsy always supported the efforts of many that are committed to providing a quality, faith-based education rooted in the fundamental teachings of Jesus Christ." We truly thank them for investing in the future of our students.

Kick-up your spurs in support of our JCA students. Lisa & Tony Sandora want all to know that everyone is invited: parents, alumni, friends and community members. In addition, if you would like to donate an auction item, make a reservation or purchase a cash raffle ticket, please call Christine M. Voss, Director of Special Events (815-773-0784), for further information.

# MESSAGE FROM THE DIRECTOR OF DEVELOPMENT

**Dear alumni, families and friends,**

Once again, I want to take this time to express my heartfelt thanks to you for your continued support of Joliet Catholic Academy. It has made a world of the difference during the past school year, and our students, faculty and staff have benefited greatly from your outstanding generosity.

Because of your help, we have repaved the back road that runs past the Hilltoppers' baseball field to the Student Activity Center parking lot, adding additional spots along side the school. It might seem like a small project, but it incredibly improved the look of our school.

At the same time, we also upgraded our Wi-Fi network, installed air conditioning units and new windows in the front of the campus, and renovated two more of our girls' bathrooms. We could not have made these improvements without your much-appreciated investment in Catholic education.

Meanwhile, not to be forgotten, we completed our Heritage Quad project, which has proven to be quite a popular gathering place for students, faculty, staff and alumni. We are so proud that the Heritage Quad, highlighted by the renowned Victory Light, has truly become the talk of the town.

We also are well on our way into the second phase of the "Building Our Future" capital campaign. This phase will complete the updating of our windows in the rear of the campus and finish the installation of air conditioning in every classroom. We have concentrated on creating an optimum climate-controlled campus that we know will provide the best learning environment for our students.

To keep you in the loop, we are halfway to our \$1.5-million goal in that campaign. With your unceasing financial support, we're confident that we will maintain and push forward with the major strides that we've made just in the past five years alone. It has been an amazing period of change, growth and progress that we believe will ensure the future excellence of JCA. Saint Pope John Paul II understood how important the investment in Catholic education is in today's increasingly secular society. He said: "A Catholic school is a place where students live a shared experience of faith in God and where they learn the riches of Catholic culture. Catholic schools . . . help students deepen their relationship with God and discover that all things human have their deepest meaning in the person and teaching of Jesus Christ."

That sums up our mission at Joliet Catholic Academy. We want to build on the foundation of our history in delivering to our students the finest Catholic educational experience, inside and outside of the classroom, where they will develop a lifelong, foundational relationship with Jesus Christ.

We will accomplish those hopes and dreams due to your enduring generosity and investment to our campaigns and projects. Rest assured, our students notice the difference. Our faculty notices the difference. Our alumni notice the difference. And for that, I cannot ever thank you enough.

# ANNUAL GIVING BY CLASS

Many thanks to the following members of the SFA-DLS- JCHS-JCA Alumni Association. Through their partnership, volunteerism, and financial generosity, the benefits of a JCA education are extended to new generations of Angels and Hilltoppers. Participation rates indicate the number of donors in relation to the number of “active” members (i.e. deliverable addresses).
