Under Scheibe, the Angels won the class AA state title with a 69-2-1 record in 2003, followed by 3A state championships in 2008 and 2009. The Angels went 35-3 in 2008 and fashioned a program-best 41-1 record in 2009. JCA is one of the few schools in state volleyball history to play in three consecutive championship matches, finishing as the 3A runner-up in 2010. Her teams also placed third in 2006 and fourth in 2005. Scheibe (439-107-9) has coached JCA to 13 consecutive regional titles — the longest active streak among Will County high schools — along with seven sectional championships, six supersectional championships and six Final Four appearances. Scheibe, the vice president of the Illinois High School Volleyball Coaches Association, was named the Daily Herald-News Coach of the Year in 2002, the Joliet Herald-News Coach of the Year in 2011 and the East Suburban Catholic Conference Coach of the Year on multiple occasions.

## Coach Offerman

My name is Ashleigh Offerman, and I am the new head golf coach for JCA! I played all four years in high school at JCA and loved every minute of it. After that, I went on to compete for the University of St. Francis women's program and traveled around the Mid-West and Florida. When I was team captain my junior and senior year, our team set and broke multiple records. During the summer, I was a park district coach and taught toddlers fundamental golf skills and swing basics. In the near future, I hope to begin the process towards becoming an LPGA Teaching Professional to make golf a part of my full-time professional career. Golf has brought me so much joy. I cannot wait to see what this new adventure will hold for both myself and the team!
