Dear JCA Families,

It has been a busy fall in our Admissions office as we have visited 25 grade schools to date, meeting with over 1,000 total 7th and 8th grade students. We are also extremely proud of the success of our Friday "Shadow Visits" this fall, where we have already seen over 130 students enter the halls at JCA. We've collaborated with grade school teams to host tournaments (volleyball in the fall, and our upcoming 8th grade boys tournament). This Friday we will see another 230 students arrive at JCA for our annual Step-Up Day.

These numbers in our economic climate prove that families still value a Catholic education, but none of it is possible without our current families at JCA. Your sons and daughters have showed a willingness to go above and beyond as Shadow hosts and Student Ambassadors that accompany our Admissions team on grade school visits. As a 2003 graduate of JCA, nothing has made me prouder to be an alum than when I called our very first Student Ambassador meeting for the 2016-2017 school year. Over 250 students attended our informational meetings held during lunch periods, roughly 38% of our student body, making Student Ambassadors the largest extra-curricular club at the school. This is a tribute to our great students, and their willingness to give up their free time and days off for the benefit of this great institution. This Friday on Step-Up Day, we already have over 100 Student Ambassadors signed up to work, and this number doesn't even count an additional 100 students that will be manning extra-curricular informational tables, and performing/exhibiting during the breakout sessions throughout the day.

The Admissions Office is a team made up of thousands of students, faculty, alumni, parents, and friends of JCA. With that in mind, during this all important "Open House" season, I ask that you help ensure more prospective students can "become the latest addition to the greatest Tradition". On Sunday, November 20 from 10 a.m. until 2 p.m. and Thursday, December 1 from 6 p.m. until 8 p.m. JCA will hold its annual Open House for prospective families. We open our doors and hearts to those families deciding on a high school of choice. This is a personal invitation to all our parents at JCA to get involved. Everyone can do their small part, whether that includes volunteering to work Open House, leading tours, or inviting neighbors, fellow parishoners, nieces, nephews, and friends to attend. An invitation from someone who believes enough in Catholic education and Joliet Catholic Academy to send their own child to our school is the greatest marketing tool we possess. Beyond the billboards, social media advertisements, radio commercials, etc. I've always believed that our experiences and stories told first hand are what "sells" JCA. Your invitation provides a "stamp of approval" for JCA when parents and families make the decision to send their children to Joliet Catholic Academy.

If you are available, we appreciated your help at either of our Open Houses. Please e-mail me at rquigley@jca-online.org if you are able to volunteer.

Regards,

Ryan Quigley '03

Phase II Capital Campaign "Building Our Future"

As JCA continues the second phase of our Capital Campaign "Building our Future" we would like to invite our parents to see exactly what we are planning. JCA will host four informational sessions for parents in order to better inform and engage you concerning the campaign.

Our vision is not complete. The second Phase of this Capital Initiative includes:

- Continuing installation of upgraded Wi-Fi to support our 1:1 Technology program.
- Windows for the back of the building.
- Air conditioning in all classrooms to provide our students with an optimal learning environment.
- Updates to the prayer garden for peaceful outdoor reflection.
- New lighting along Victory Road and Tradition Way.

These goals were set from the ideas of our focus groups consisting of parents, alumni, students and friends of JCA. We are set on raising \$1.532 million dollars to complete this initiative, thus giving our students a better JCA.

These presentations will take approximately 30 min and we will meet in the main front office a few from 6:00 p.m. to 6:30 p.m. on the following dates:
November 2, November 16.

Please RSVP to attend one of the above informational sessions with JCA Director of Development Mr. John Horn.
