Dear JCA Families,

On Monday, as part of National Catholic Schools Week 2017, Joliet Catholic Academy celebrated Catholic education in the Joliet community through service for others. JCA is proud to serve the Joliet community: 73% of the students in Joliet, 70% of the students in Plainfield, and 72% of the students in Shorewood who choose Catholic high school education choose JCA*.

Monday's focus for National Catholic Schools Week was "In our Community". A central aspect of Catholic education is learning the importance of service to others. When students take part in service activities—both local and beyond—they demonstrate the values and faith they gain through their Catholic education and learn how to make the world a better place. When they observe how others serve the community, they gain an appreciation for how they can continue to serve others their entire lives.

The fall of 2016 alone saw JCA students perform over 4,800 hours of community service in the Joliet community. Student, faculty, and staff completed a day of service this fall as part of the school's 4th annual All-School Retreat and Service, volunteering time at local establishments like the Joliet Forest Preserve District, Wags 2 Wishes, Hopeful Tails, Joliet Animal Control, Ready Set Ride, St. Patrick's Home, Hands of Hope, Our Lady of Angels Retirement Home, Sharefest Festival, Morningstar Shelter, and more.

I believe the day of service is just one small component of the hours our students put in each year. Many times it leads them to volunteer at those places regularly. Our kids not only volunteer outside of school, they also volunteer to help promote JCA through our Student Ambassador Program, hosting area students on school visits, and working school events like Step Up Day, Open House, and Jubilate..

To me, the impact of stewardship within the Joliet community is that much more powerful when our students are giving back to the city and villages that their families live in (Joliet, Plainfield, Shorewood, and beyond). That is, and always has been, the impact of Joliet Catholic Academy within our community. It's a testament to our students, you our parents, and our strong alumni base that you all overwhelmingly choose to send your children to JCA and thus support our Joliet Catholic community".

To see a complete breakdown of each daily theme for Catholic Schools Week being celebrated at Joliet Catholic Academy, as well as events throughout the week, visit >> <http://www.jca-online.org/2017/01/catholic-schools-week/>

(*Statistics are based off information reported to and gathered by the Diocese of Joliet and the JCA Admissions staff over a four-year period from area grade schools. Data does not reflect high school transfers/retention).

Phase II Capital Campaign “Building Our Future”

As JCA continues the second phase of our Capital Campaign “Building our Future” we would like to invite our parents to see exactly what we are planning. JCA will host four informational sessions for parents in order to better inform and engage you concerning the campaign.

Our vision is not complete. The second Phase of this Capital Initiative includes:

- Continuing installation of upgraded Wi-Fi to support our 1:1 Technology program.
- Windows for the back of the building.
- Air conditioning in all classrooms to provide our students with an optimal learning environment.
- Updates to the prayer garden for peaceful outdoor reflection.
- New lighting along Victory Road and Tradition Way.

These goals were set from the ideas of our focus groups consisting of parents, alumni, students and friends of JCA. We are set on raising \$1.532 million dollars to complete this initiative, thus giving our students a better JCA.

To date, we have raised over \$850k towards our goal, and we are happy to announce we have ordered the new back windows to be installed this spring.

If you would like additional information regarding “Building Our Future”, please familiarize yourself with our webpage via the link below.
