IMPORTANT INFORMATION

BOOK LOAN PROGRAM*	<p>Even though the State eliminated this program, JCA still has state loan books through previous purchases. These textbooks will be passed out on the first or second day of classes. Please check the booklist to see what books are considered loan books for the current school year. It is the student’s responsibility to maintain the condition of the textbook and return it at the end of the school semester/year. If the book is stolen, lost, or misused, the student will be charged the full price of the replacement.</p> <p>PLEASE NOTE: The dollar amount* listed on the booklist is the price a student will be charged if he/she loses or does not return the book at the end of the course. The student must return the same book that was assigned to them (we keep a record of the textbook loan number assigned to each student who receives a state loan book).</p> <p><i>By accepting a loan book from the teacher, the student and parents/guardians agree to the terms of the Book Loan Program.</i></p>
